

# ONLINE INTELLECTUAL PROPERTY COURSES BY FEDERATION OF INDIAN CHAMBERS OF COMMERCE AND INDUSTRY (FICCI)

## About FICCI

Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry. It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies.

## About FICCI IPEC

FICCI IPR Division has established an Intellectual Property Education Centre (IPEC) with the objective to impart specialized education in IP field and to develop awareness about IPR as well as to develop a pool of IP skilled professionals. Courses on IPEC are taught by Industry leaders and domain experts from top institutions which include assignments, webinars, drafting exercises, workshops and discussion forums. Our courses are pursued by lawyers, IP professionals, Government officials and students from all disciplines.

## **IPR division at FICCI**

The Intellectual Property Rights (IPR) Division at FICCI is intensively involved with issues pertaining to protection and enforcement of Intellectual Property Rights. It has taken decisive steps in raising the levels of awareness about Intellectual Property Rights amongst the citizens of India. In this regard, FICCI's constructive contributions span various capacity building exercises and training programs for the industry, the judiciary, and the law enforcement agencies. Further, the IPR division is a platform for continuous interaction between the industry and the Government with a view to providing an interface for businesses to resolve their issues pertaining to IPRs. Most importantly, FICCI is also instrumental in offering substantive and comprehensive inputs and feedback to the Government on policy-related matters.
